ABOUT THE DEPARTMENT

COET NMKC offers Mechanical Engineering programs at the Bachelor's level. Its strong and interactive curriculum and hands-on learning will make the students capable of taking their career to the next level, whether it be in the professional engineering practice or in advanced study. The department, right from its inception in 2011 has been focusing on high-quality teaching along with integrated laboratory experience. The Discipline of Mechanical Engineering effectively connects teaching of engineering education to active research in different areas. The department has the most modern infrastructure to undertake high-end teaching. We aim to provide our students with a perfect blend of intellectual and practical experiences that helps them to serve our society and address a variety of needs. With a solid grounding in the principles and practice of mechanical engineering, our undergraduates are ready to engage in ethical approaches to engineering, with concern for society and the environment.

ACADEMIC MONITORING COMMITTEE HEAD MESSAGE

Dear Students and Staff,

I hope this message finds you well. As we continue our journey through this academic year, I would like to take a moment to share some important updates and upcoming events within our Engineering community.

This Year, we have several exciting initiatives and opportunities designed to enhance both academic and extracurricular experiences. Be sure to stay informed by participating in various activities that will help you grow, both personally and professionally.

I encourage everyone to remain engaged, work hard and make the most of the resources available. Should you have any questions or need further assistance, please don't hesitate to reach out to me directly.

Wishing you all continued success in your studies and endeavors.

Warm regards,
Prof.S.S.Baviskar

MESSAGE FROM HOD

"I am happy to inform that Department of Mechanical Engineering, NMKC is publishing the Departmental Newsletter (Mech Bulletin). The

newsletter is a reflection of the cumulative effort of faculties, students, alumnus and other stake holders in portraying and bringing out the ethos of the Department. It is really a pride for all of us and I on behalf of this platform request the entire Mechanical Engineering community to come forward and be associated with us. I cordially appreciate the combined effort of the Editorial Team as a whole in bringing out this issue for our esteemed readers."

TRAINING AND PLACEMENT

Dear Students,

Greetings from the Training and Placement Cell...!

We are excited to share some key updates and opportunities for you in this year newsletter. As part of our ongoing efforts to support your career growth, we have lined up various training sessions, workshops, and placement drives to help you prepare for your professional journey.

Please stay tuned for upcoming sessions on resume building, interview preparation, and skill enhancement, all designed to equip you with the tools and knowledge necessary for success in today's competitive job market. Additionally, we encourage you to actively participate in the placement drives and job fairs being organized over the coming weeks.

Remember, your preparation and participation are key to unlocking new opportunities. We are here to assist you at every step, so don't hesitate to reach out if you have any questions or need guidance.

Wishing you all the best in your career pursuits...!

Warm regards,
Prof.R.Y.Patil

STAFF MEMBERS

- Prof.Jitendra G. Patil **HOD**
M.E. Machine Design,
PhD pursuing

- Dr.P.N.Patil
ME (Production Engineering)
PhD (Mechanical Engineering)

- Prof.R.Y.Patil **WS**
MTech. (Production Engineering)

- Assistant Prof.Saurabh S. Baviskar
, M.E., PhD (Pursuing)

- Assistant Prof. Kapil H. Bagul
M.E. (Mechanical Engineering)

- Assistant Prof. S.K.Rane
M.E., PhD (Pursuing)

- Mr. Kantilal S. Sonawane **Lab Tech.**
ITI NCTVT, DME App.

Mr. Rajendra R. Kumavat
Instructor(Carpetry)
ITI NCTVT.

- Mr. Shaikh Tanvir R
Instructor(Fitting)
ITI NCTVT, CTI/ATI.

- Mr. Sahebrao S. Ahire.
Instructor(Welding)
ITI NCTVT.

DEPARTMENTAL ACTIVITIES

- The Second issue of the Newsletter entitled "Mech Bulletin" of the Mechanical Engineering Department North Maharashtra Collage of Engineering was published in 2025-26.
- Organize Techno Quiz Online Competition in 2025
- Guest Lecture on Career Guidance by Mr.sachin karare held on 12 august 2025.
- Conduct Visit to Jain Irrigation System and Astmo Brake Pvt. Ltd. Bambhori, Jalgaon.
